Step 1 – Click Show My Homework button on the main school website, or go to <http://www.showmyhomework.co.uk/angloeuropaen/>

The screenshot shows the website header with the school name and URL. Below the header is a filter section with dropdown menus for Year group (7), Subject (English), Class (All), and Teacher (All). There are checkboxes for 'Due H/W & Tests' and 'Given H/W & Tests', and a 'Reset filters' link. A callout box points to these filters with the text: 'Use the filters to find homework specific to you.' Below the filters, it says 'Show me: English Homework and Class Tests set by Mrs Nottage for Year 7'. A calendar view shows days from Monday to Sunday. A legend indicates: Green box = Homework given, Pink box = Due Homework, Purple box = Class Test given, Red box = Class Test Date. The Tuesday (2nd Oct) box is green and contains: '* Homework *', '7 / S', 'Mrs Nottage', 'English', and 'Due in 3 days 5th Oct'. A callout box points to this box with the text: 'Click to View the homework question, along with any resources'. The Friday (5th Oct) box is pink and contains: '* Homework *', '7 / S', 'Mrs Nottage', and 'English'. A callout box points to this box with the text: 'In pink is when homework is due in'. At the bottom, there are icons for 'H/W / Class Test with attachment', 'H/W with video', and 'H/W to be handed-in online'.
