

Developing	Improving	Meeting	Exceeding
Students rarely demonstrate that they have met any of the criteria.	Students occasionally demonstrate that they meet some of the criteria for the term.	Students demonstrate that they regularly meet most of the criteria below.	Students almost always demonstrate that they meet all criteria. Often, they will take advantage of opportunities to broaden their understanding of the subject.

Term 3

- Students can undertake visual research that is relevant to the 3D work they will produce.
- Students can use a flat material, such as card or fabric, to create a 3D structure.
- Students can use a hot glue gun or sewing techniques with care and precision to create a structure that is robust.
- Students can select found objects appropriate in shape and size to create a recognisable 3D creature.
- Students can use appropriate construction techniques to create a 3D structure that is robust.
