- : Your original mark is confirmed as correct, so there is **no change** to your grade.
- : Your original mark is raised but your final score stays within the same grade resulting in **no change**.
- : Your original mark is raised, so your final grade is **higher** than the original grade you received (a refund of fee paid minus £5 administration fee will be made).

* It is advised to pay for one paper at a time for Review of Marking. Final mark could go up in one paper but down in another. Please discuss which paper with teacher/parents before deciding (Exams Team cannot offer advice).
